

To our Glenwood Landing families,

Welcome back to another exciting school year at Glenwood Landing. We hope everyone had a relaxing and enjoyable summer and weathered Hurricane Irene without too much disruption.

Thanks to the dedication and hard work this summer of our Vice-President, Ellen McPartlin, the SCA now has a new school website. Please navigate the site to obtain information regarding upcoming events, meetings and notices. We will use this site to keep everyone in our school community well informed about upcoming events, ways to get involved, including tools to make volunteering easier, and addresses at which to contact the Board.

We have planned many exciting events for our children, including our Back to School Barbeque on September 16, 2011, Family Bowling Night in November, Book Fair in December and many more events which you will note on our school calendar.

We hope you will all be able to participate, enjoy the fun and support the SCA so that we can assist in providing a fulfilling school year for our children.

If you have any questions, please feel free to contact any of us at our new school gmail addresses below:
